

DE-ESCALATION

TRAINING FOR STREET-FRONT RETAILERS WEBINAR LEVEL 1 AND 2

In these free webinars, we'll explore using supportive communication and de-escalation skills with individuals who may be displaying agitated behaviours in your business.

For Level 2, participants will apply the skills learned in Level 1 to address specific challenging scenarios including verbally abusive behaviour and intoxication.

Note that it is required to have taken Level 1 before proceeding to Level 2.

Questions we explore include:

My team needs a refresher on conflict resolution

What skills can I use to deal with frustrated customers?

How do I engage during a verbal escalation?
